# AKC HUNT TEST ADVANCED JUDGING SEMINAR

Step Up Your Judging Game — Join Us!

## ADVANCE. REFINE. EXCEL.

This two day seminar will be a great opportunity to connect, learn, and grow alongside fellow members of the hunt test community.

Designed for judges who have completed the Basic Judges/Handler seminar and gained practical experience, this session will build on your knowledge while strengthening the consistency and quality of judging across all levels. Together, we will deepen our understanding of hunt test regulations, guidelines, and test standards to help ensure confidence and consistency in the field.

While this seminar is especially valuable for current judges looking to further their education and refine their skills, it is open to anyone interested in expanding their understanding regardless of your skill level or dog handling experience.

*(Please note: it does not count toward a judge's initial seminar requirement.)*
